HARD SKILLS

CSS | JavaScript | React.js | Next.js
PostgreSQL | Node.js |
Express.js | Docker | Jenkins | Git |
GitHub

English | C1
Spanish | Native

SOFT SKILLS

Problem solving
Communication
Teamwork
Time management
Leadership
Tenacity
Attention to detail
Continuous learning

Driven by a strong belief that knowledge empowers and a deep desire to make the world a better place, I initially pursued a career as a mathematics teacher. However, I later decided to merge my creativity and analytical thinking, which led me to discover the limitless world of programming.
Every line of code represents an opportunity to create solutions and make a positive impact on someone's life, a goal I pursue in everything I do.

EDUCATION

SENPAI ACADEMY
Full Stack Web Developer Bootcamp
420 h - 2023

IPA
Mathematics teacher
